RE: Recommendation

To whom it may concern,

We have been working with Todd and Cindy Larsen, in particular Cindy over the past eight months.

Our initial contact with Cindy proved to be quite fruitful as she was able to reduce our phone and internet expenses dramatically. Over the ensuing months Cindy has continued to be very helpful, responsive and easy to work with, it is evident that she has our best interest in mind.

During the close of 2010 we had several last minute requests (several times) and we were taken care of in a timely and professional manner. I would recommend Limitless Technology without reservation.

Thank you.

Sincerely,

Hans Bentzon
